### **About FCTF**

#### Who we are

Țara Făgărașului Community Foundation inspires and supports local initiatives, mobilizes resources and brings together people and organizations that have the desire and ability to contribute in the long term to the development of communities, starting in 2013.

> 2013-2024 **525 grants** offered 42 project funded **801** scholarships and own projects

#### Think Global | Act Local

(Gândim global și acționăm la nivel local)

Globally, **Făgăraș Country Community Foundation (FCTF)** is part of a network of over two thousand community foundations that enhance the sustainability of local communities.

Community Foundations, like FCTF, have a mission to support the capacity of local communities to take better care of themselves.

Such a mission positions FCTF in a close relationship with the Sustainable Development Goals (SDGs), given the shared focus on the well-being and sustainability of communities in Tara Făgărașului.
